Jim Flagg explained the process we would use with the “branding” samples regarding our transition to a state college and what it could mean. Two options were shown and the Center members were asked to comment on each about various things.

**Conference Update:**

Jack met with the deans this morning and asked that they help encourage faculty registration. He advised them to seek campus Center members to assist them. Registration is down significantly and Jack would like to have 400 people from the college register. Information was given to each Center member and if more is needed they were directed to contact Jeana Davis. If anyone has any questions at any time they can contact Jack, Bill Ganza or Jeana Davis.

Jack asked Robert to look into getting students to the conference for the Keynote speakers. There will be seating for 200 in the back this year.

**Items from the floor:**

Robert thanked all of the Center members with their help at the Scholars Roundtable event with Michael Ruse.

**Minutes:**

Center members were asked to review the minutes for 2/9 and 2/23. A motion to approve was made by Nancy Mullins and seconded by Donna Martin. All members approved, minutes accepted.

A motion to adjourn the meeting was made by Nancy Mullins and seconded by Andrea McKeon. The meeting was adjourned at 3:18 p.m.
