

Transfer Advising Sheet for Computer Information Systems Program

Florida State College at Jacksonville
Associate of Arts Degree

Articulated Program with Columbia College
Bachelor of Science Degree in Computer Information Systems

This transfer institution has agreed to accept the specified associate's degree from Florida State College at Jacksonville. The Florida State College at Jacksonville graduate will be accepted at the junior level, and is required to complete the equivalent of two years of full-time coursework to complete the specified bachelor's degree.

The BS Computer Information Systems articulation agreement is designed for students in Associate of Arts or Associate of Science Programs. If you are enrolled or a recent graduate of any AA or AS programs, please review the specific Transfer Advising Sheet found on the Transfer Services "Florida State College at Jacksonville Majors" search option page. **The transfer requirements are different for an AA student and an AS student, so please review the appropriate Transfer Advising Sheet.**

Upon graduation from Florida State College at Jacksonville, Columbia College (CC) will accept up to 81 credits from the AA or AS degree towards the BS Computer Information Systems. Students will complete a minimum of 39 upper-division semester credit hours from Columbia College to graduate with a Bachelor of Science in Computer Information Systems.
