

Welcome to the South Campus Learning Center!

ACCESS POLICIES

The Learning Center's primary focus is service to faculty, staff, and currently enrolled Florida Community College students.

Use of Learning Center services and facilities implies full acceptance of the policies of the Learning Center and the College (including the Computing Facilities Policies and User Agreement).

College ID must be presented upon request and is required to check out materials for room use only.

All students must check in and check out at the Welcome Desk using their assigned FCCJ Artemis ID.

As an instructional area of the college, the Learning Center is open only to faculty, staff, and students enrolled in a Florida Community College course for which learning support services are provided.

Individual Labs in the Learning Center are provided to assist students with subject-specific concepts, but tutors will not provide answers and solutions for graded assignments and/or tests.

Computers and printers in the Learning Center require log-in using an assigned Florida Community College Artemis ID and password and are reserved for currently enrolled students. Printing is limited to course-related material and 15 pages per print job. Copiers are available if multiple copies of a document are needed.

Downloading non-academic files, gaming, and non-academic chat on Learning Center computers is prohibited.

Computer activities are monitored and computer users are responsible for *all* activity conducted under their Artemis ID. To avoid issues, be sure to log-off the computer system when finished.

Wireless access requires log-in using an assigned Florida Community College Artemis ID and password.

Drinks allowed only in closed containers (no beverages at computers). Food not permitted.

Cell phone ringers must be silenced and all conversations must be taken outside the building.

Anyone violating policies or disrupting the environment will be asked to leave the building and may be referred for Security response and/or disciplinary sanctions.
