

## 2007-08 Catalog: Programs of Study

### Facials Specialty (5711)

#### Workforce Certificate

This program is for those students seeking certification in esthetics. A certificate of completion enables students to qualify for state licensure in this specialty area.

This specialty program includes classroom theory, laboratory practice, and requires daily attendance. Classes are offered during the evening hours and are scheduled Monday through Thursday, 5 to 10 p.m. at North Campus.

#### Certification and Licensing

After successfully completing the program, students are qualified to take the facial certification exam. Licensing and certification for immediate employment in the field are obtained by passing this examination.

#### Application Procedure

Students must complete the Facials Specialty program application in order to be considered for acceptance into the program.

#### Cost

Estimated tuition is \$495 (for Florida residents as of 7/06). Contact program manager for additional costs (materials, fees, textbooks).
